# Ethan Kutlu

**Department of Communication Sciences and Disorders, Department of Psychological and Brain Sciences**

Curriculum Vitae as of 10/27/2026

Campus Address: 2222 HSAB, University of Iowa
Phone: 319-335-0652
E-mail: ethan-kutlu@uiowa.edu

## EDUCATION AND PROFESSIONAL HISTORY

### Post Graduate Education

2015 – 2020 **PhD,** Linguistics, University of Florida
**Mentor(s):** Wulff, Steffi

2013 – 2015 **Master of Cognitive Science**, Cognitive Science, Carleton University
**Mentor:** Murasugi, Kumiko

### Higher Education

2012 **BA**, Translation and Interpreting in French, Marmara University

### Professional and Academic Positions

2025 – Present **Assistant Professor**, Communication Sciences and Disorders, Psychological and Brain Sciences, University of Iowa

2023 – 2025 **Assistant Professor**, Linguistics, Psychological and Brain Sciences, University of Iowa

2021 – 2023 **NSF Postdoctoral Fellow,** Psychological and Brain Sciences, Linguistics, University of Iowa

2021 – 2023 **Adjunct Assistant Professor,** Linguistics, University of Iowa

2020 – 2021 **Postdoctoral Researcher,** Psychology, University of Florida

### Licensures and Certifications

2026 **Critical AI Literacy Workshop,** Radboud University, Netherlands

2011 **Software Database Expertise,** Microsoft

### Honors, Awards, and Recognition

2026 **Linguistic Society of America,** Early Career Award

2026 **Psychonomics Society,** Fellow

2025 **Cognition Outstanding Reviewer Awards,** Cognition Journal

2024 **Distinguished Lecture, National Science Foundation,** Online

2023 **Keynote Speaker, International Symposium on Bilingualism,** Sydney, Australia

2020 **Madelyn Lockhart Dissertation Award,** University of Florida

2020 **CLAS Dissertation Award,** University of Florida

2020 **Graduate Student Teaching Award,** University of Florida

2019 **Anderson Scholars Faculty Honorees,** University of Florida

2014 **Graduate Student TA Excellence,** Carleton University

### Memberships

2026 – Present ASHA

2017 – Present Linguistic Society of America

2018 – Present Acoustic Society of America

2020 – Present Psychonomics

2020 – Present American Association for the Advancement of Science

2020 – 2025 University of British Columbia, Language Sciences Initiative

# SCHOLARSHIP

## Publications

Google Scholar (October 2026): 1022 citations, h-index 16, i10-index 24. † marks undergraduate and graduate student mentee co-authors.

***Refereed journal articles and conference proceedings***

1. Peña, T., Thomas, A. K., Fox Tree, J. E., Lleras, A., Watson, D., Molina, J., Alonso Carrillo, M., Kutlu, E., Kubota, J., Siao, T., & López, B. G. (forthcoming). Innovation limitation in the cognitive sciences: An assessment of the racial diversity in cognitive science societies and journals. *Psychological Science*.

2. Kutlu, E., & Hayes-Harb, R. (2023). Towards a just and equitable applied psycholinguistics. *Applied Psycholinguistics*, 44(3), 293–300. (Editorial introduction to two special issues.)

***Software and research instruments***

1. TAPA: Toolkit for Acoustic-Phonetic Analysis (2026). Open-source Python pipeline for diarization, transcription, forced alignment, and acoustic measurement (vowel formants, voice onset time, fricative spectral moments) of naturalistic multi-talker recordings. Code: github.com/sarmadchandio/tapa.
2. Social Network Survey. Egocentric social network instrument for quantifying the linguistic diversity and structure of personal networks (adult and parent-report versions); used in multiple NIH proposals by collaborators and extended to adults who stutter and cochlear implant users.

***Manuscripts in preparation and preregistered studies***

1. Kutlu, E. (preregistered). What do we mean by "native speaker"? Usage and (lack of) definitions in language science (2023–2024).
2. Wong, B. W. L. †, Gür, E.†, Kapnoula, E. C., & Kutlu, E. (preregistered). Longitudinal changes in speech categorization patterns in Spanish learners.
3. Kutlu, E., Patil, Y.†, Mefferd, A., & Kuruvilla-Dugdale, M. (in preparation). Using word-referenced acoustic distance to distinguish dysarthria severity.
4. Kutlu, E., Carraturo, S., McMurray, B., & Colby, S. (in preparation). Who do adults talk to, and how do they speak? Introducing communication burden as a descriptive property of personal networks across adulthood.
5. Kutlu, E., Hoth, K. F., Wu, Y.-H., Dunn-Johnson, C., Caraher, K., Nicholson, J., Ties, A., & McMurray, B. (in preparation). Social network structures of cochlear implant users.
6. Kutlu, E. (in preparation). Why Americans' everyday networks are less diverse than the population: A national survey benchmarked against the 2020 census.
7. Magne, V., Suzukida, Y., Ferri, G., Moore, A., Quinton, L., Minhas, R., Los, G., & Kutlu, E. (in preparation). Accent perception across two contexts.
8. Kutlu, E., Cheng, W.†, Chandio, S.†, & Khalid, O. (in preparation). Listeners' accent space is anchored in individual talkers and partly inherited from shallow phonetic structure.
9. Kutlu, E., & Tapanes, C.† (in preparation). Word recognition patterns in bimodal American Sign Language learners.
10. Boudreau, J. W.†, & Kutlu, E. (in preparation). The effect of aging in language science research.
11. Kutlu, E., Peters, E.†, Boudreau, J.†, Kim, D.†, deBlois, J.†, Tobin, O.†, & McPearce, E.† (in preparation). Speech gradiency predicts speech intelligibility.
12. Kutlu, E., Chandio, S.†, & Khalid, O.† (in preparation). Calculating speech intelligibility through computational methods.
13. Kutlu, E., & McMurray, B. (in preparation). The effect of rich linguistic environment on speech categorization in adults.
14. Carraturo, S., Kim, H., Muegge, J. B. †, Kutlu, E., & McMurray, B. (in preparation). Lexical knowledge enhances consistency in speech categorization.

## GRANTS AND CONTRACTS

***Awarded***

| | |
|---|---|
| 2026–2028 | *The perceptual and lexical foundations of language and reading outcomes: Growing [More] Words.* NIH/NIDCD R21 DC008089. McMurray, B. (PI), Kutlu, E. (Co-I). |
| 2026–2029 | *Neural dynamics underlying speech processing in children with unilateral hearing loss.* NIH K01. Corbin, N. (PI), Kutlu, E. (Consultant). |
| 2025–2028 | *Categorization consistency: A fundamental dimension of individual variation in speech perception.* NSF. $829,572. McMurray, B. (PI), Kutlu, E. (Co-I). |

2025–2026 *Math cognition in developing bilingual children.* Center for Social Science Innovation, University of Iowa. $1,600. Kutlu, E. (PI).

2024–2025 *Conference: Rethinking how language background is described in academia and beyond.* NSF BCS 2335912. $49,237. Namboodiripad, S. (Co-PI), Kutlu, E. (Co-PI).

2023–2027 *Iowa Cochlear Implant Center VII, Project 4: Human Ecology (Quality of Life).* NIH/NIDCD P50 DC000242. $2,120,715 (subproject; $13,888,659 total). Hoth, K. (PI), Wu, Y.-H. (PI), McMurray, B. (Co-I), Kutlu, E. (Co-I).

2023–2025 *The real-time dynamics of language processing across the lifespan.* NIH R21 AG080206. $427,625. Colby, S. (PI), McMurray, B. (Co-PI), Kutlu, E. (Co-I).

***Pending***

2027–2030 *AIDatasets:Impact: When Can Automated Measures of Children's Speech Be Trusted? An AI-Ready Acoustic-Phonetic Layer for PhonBank and HomeBank (TAPA-Dev)*, NSF 344105. $1,515.539 Kutlu, E. (PI).

2027–2029 *Toolkit for Acoustic Phonetic Analysis: Developmental.* NIH R21 HD126929. $427,625. Kutlu, E. (PI).

2027–2029 *The emergence of lexical competition in early childhood: An eye-tracking and network science approach.* NIH R21 HD123960. $427,625. Kutlu, E. (PI). Resubmitted (27th percentile ).

2027–2030 *Adaptive perception and experience-driven prosody processing in autism.* NIH R01. $1,949,414. Kurumada, C. (Co-PI), Bennetto, L. (Co-PI), Kutlu, E. (Co-I).

***Submitted, not funded***

2025–2028 *LangDiv: A computational, neural, and behavioral examination of accent perception.* NSF 2438780. $555,559. Kutlu, E. (PI). Reviews: Excellent, Excellent, Very Good; not funded following budget reductions in the SBE directorate.

***Student research funding (as mentor)***

2026 *Computational approaches to speech.* Iowa Center for Research by Undergraduates Scholar Assistantship. Cheng, W. (undergraduate), Kutlu, E. (mentor).

2025 *Computational approaches to speech.* Iowa Center for Research by Undergraduates Scholar Assistantship. McPearce, E. (undergraduate), Kutlu, E. (mentor).

2024 *Understanding sign languages.* Iowa Center for Research by Undergraduates Scholar Assistantship. Tobin, O. (undergraduate), Kutlu, E. (mentor).

2024 *Computational approaches to speech.* Iowa Center for Research by Undergraduates Scholar Assistantship. Peters, E. (undergraduate), Kutlu, E. (mentor).

2024 *The role of voices in speech language therapy.* CLAS Dewey Stuit Fund for Undergraduate Research. Kearney, P. (undergraduate), Kutlu, E. (mentor).

2023 *Crossing the accent barrier: Simulating novel accent generalization using deep learning.* Iowa Center for Research by Undergraduates Scholar Assistantship. Moore, L. (undergraduate), Kutlu, E. (mentor).

## INVITED LECTURES AND KEYNOTES

2027 Emerging Scholar Event, University of San Diego (scheduled).

2026 *Serving the speech scientist: TAPA.* University of Nevada, Las Vegas.

2026 Department of Linguistics Colloquium, University of Arizona (scheduled).

2026 *Who owns the speakerhood? Bridging neural, behavioral, and computational approaches to language attitudes.* University of Konstanz, Germany.

2026 *The role of variability in language processing.* Department of Psychology, Stony Brook University.

2025 *Reframing our language experience: Challenging essentialist labels in linguistics.* LSA Presidential Research Forum, Linguistic Society of America Annual Meeting.

2025 *Centering the role of linguistic diversity in language science research.* Department of Linguistics Colloquium, University of Oregon.

2025 *From childhood to adulthood: How linguistic diversity shapes language processing.* Bilingualism Matters, University of California, Irvine.

2025 *Social network diversity shapes language processing across the lifespan.* Department of Linguistics Colloquium, University of California, Santa Barbara.

2024 *Exploring network diversity and its impact on speech perception across lifespan, communities, and models.* Department of Linguistics Colloquium, Northwestern University.

2024 *The side of the grass we kept trimming.* Transborder Cultures and Bilingualism Colloquium, El Paso, TX.

2024 *Can you meet me halfway? Speech perception in linguistically diverse communities.* BCBL Talk Series, Basque Center on Cognition, Brain and Language (online).

2024 *Going beyond good intentions: Making EDI considerations concrete in psycholinguistics research.* Psychoshorts 2024, Ottawa, Canada.

2024 *The side of the grass we kept trimming.* Virtual Psycholinguistics Forum (online).

2024 *Linguistic diversity and speech perception.* Communication and Hearing Sciences Department Weekly Seminar, University of Iowa.

2023 *Dimensionalizing speech categorization in linguistically diverse listeners.* Psycholinguistics Lab Group, Carnegie Mellon University (online).

2023 *Linguistic diversity and speech perception.* Cognitive Language Aficionados Research Group, University of Utah (online).

2023 **Keynote.** *From categories to edges: How diversity contributes to linguistic flexibility.* International Symposium on Bilingualism 14, Sydney, Australia.

2023 *Promoting an equitable and just linguistics through scholarly publishing and editorial practices.* Penn State Workshops in Research Methods for Applied Linguists (online).

2023 **Keynote.** *Socially-gated speech perception.* Language Latitudes Workshop, University of British Columbia, Vancouver, Canada.

2023 *From categories to edges: How diversity contributes to linguistic flexibility.* Language and Linguistic Cluster Seminar, National University of Singapore (online).

2023 *From categories to edges: How diversity contributes to linguistic flexibility.* Young Language Science Scholars Speaker Series, Pennsylvania State University.

2022 *Socially-gated speech perception.* Symposium on Diversity in Language and Cognition, Freiburg Institute, Freiburg, Germany.

2022 *From accents to sheinbugs: What language experience can do to perception.* DeLTA Center, University of Iowa.

2021 *From accents to sheinbugs: What language experience can do to perception.* UiT Language Group, UiT The Arctic University of Norway (online).

2021 *Who is in your network? Racial and linguistic diversity impact the perception of different English varieties.* Language Sciences Initiative, University of British Columbia, Vancouver, Canada.

## CONFERENCE PRESENTATIONS

1. Cheng, W.†, Chandio, S.†, Khalid, O., & Kutlu, E. (2026). A reference-free computational measure of accent perception. 25th Annual Auditory Perception, Cognition, & Action, Meeting APCAM 2026 San Diego, CA.
2. Kutlu, E., (2026). Serving TAPA (Toolkit for Acoustic-Phonetic Analysis): An automated pipeline for acoustic-phonetic measurement. 25th Annual Auditory Perception, Cognition, & Action, Meeting APCAM 2026 San Diego, CA.
3. Patil, Y.†, Kutlu, E., Mefferd, A., & Kuruvilla-Dugdale, M. (2026). Using word-referenced acoustic distance to distinguish dysarthria severity. Acoustical Society of America, Baltimore, MD.
4. Kutlu, E., Peters, E.†, Tapanes, C.†, Chandio, S.†, & Khalid, O.† (2026). Serving speech scientists TAPA (Toolkit for Acoustic-Phonetic Analysis): An automated pipeline for acoustic-phonetic measurement. Acoustical Society of America, Baltimore, MD.
5. Cheng, W.†, Chandio, S.†, Khalid, O.†, & Kutlu, E. (2026). Listeners, not acoustics, supply most of the structure of

accent perception. Acoustical Society of America, Baltimore, MD.

6. Kearney, P.†, & Kutlu, E. (2026). The role of gradient speech categorization in SLP training. Acoustical Society of America, Baltimore, MD.
7. Kutlu, E. (2026). Linguistic experience, categorization gradiency, and the intelligibility of accented speech. Acoustical Society of America, Baltimore, MD.
8. Wong, B. W. L., Gür, E.†, Kapnoula, E. C., & Kutlu, E. (2026). Development of speech categorization during adult second-language learning. Acoustical Society of America, Baltimore, MD.
9. Kutlu, E., Hoth, K. F., Wu, Y.-H., Dunn-Johnson, C., Caraher, K., Nicholson, J. O., Ties, A. M., & McMurray, B. (2026). Social network structures of cochlear implant users. Acoustical Society of America, Baltimore, MD.
10. Kutlu, E. (2026). Social network characteristics of cochlear implant users: Communication difficulty and cognition. Psychonomic Society Annual Meeting.
11. Kutlu, E., Glade, R., & Lund, E. (2026). Momentum matters: Cultivating leadership in the next generation of CSD professionals. American Speech-Language-Hearing Association Convention.
12. Pedraza Marin, S., Kutlu, E., & Combiths, P. (2026). Understanding how early childhood environments shape children's language development: A descriptive multi-site study. American Speech-Language-Hearing Association Convention.
13. Cheng, W.†, McPearce, E.†, Gulwadi, V.†, deBlois, J.†, Flannery, E.†, Gerhardt, A., & Kutlu, E. (2026). Accent adaptation in humans and machines: A direct perceptual comparison. American Speech-Language-Hearing Association Convention.
14. Kim, D.†, Gulwadi, V.†, & Kutlu, E. (2026). Including diverse voices across contexts: How do Korean-English bilinguals perceive their own accent? American Speech-Language-Hearing Association Convention.
15. Mueller, A.†, Kain, P., & Kutlu, E. (2026). Automating acoustic-phonetic analysis for clinical speech assessment: The TAPA pipeline from validation to practice. American Speech-Language-Hearing Association Convention.
16. Stuchel, A., Zabel, A., Ward, E., Nissen, K., Walker, E., & Kutlu, E. (2026). Bridging the gap: The role of student-led research clubs in promoting undergraduate training and leadership. American Speech-Language-Hearing Association Convention.
17. Kearney, P.†, & Kutlu, E. (2026). Gradient speech perception and its role in speech intelligibility for prospective speech-language pathologists. American Speech-Language-Hearing Association Convention.
18. Patil, Y.†, Kutlu, E., Goodman, S., & Kuruvilla-Dugdale, M. (2026). The phonetic fingerprints of dysarthria. Secondary Student Training Program Symposium, University of Iowa.
19. Kim, D.†, & Kutlu, E. (2026). Including diverse voices across contexts: How do Korean-English bilinguals perceive their own accent? Linguistic Society of America Annual Meeting.
20. Boudreau, J. W.†, & Kutlu, E. (2025). Beyond "native speaker": How generation and social networks shape sentence processing. Psychonomic Society Annual Meeting.
21. Boudreau, J. W.†, Kim, D. J.†, Kim, H., Kim, S.†, & Kutlu, E. (2025). Changing cues? How L2 Korean learners navigate VOT and F0 in Korean stop categorization. Acoustical Society of America.
22. Kearney, P.†, Muegge, J. B., & Kutlu, E. (2025). Exploring the impact of individual differences and SLP experience on accented speech perception. Acoustical Society of America.
23. Kim, D. J.†, & Kutlu, E. (2025). How do Koreans judge Korean-accented English? Including the voices of ethnic minorities. Acoustical Society of America.
24. Moore, L.†, Khalid, O.†, & Kutlu, E. (2025). Training computational models with accents. Acoustical Society of America.
25. Peters, E.†, Khalid, O.†, Chandio, S.†, & Kutlu, E. (2025). Using computational tools to collect naturalistic data: Phonetic alignment in political debates. Acoustical Society of America.

## TEACHING

***Courses taught, University of Iowa***

| Term | Course | Title | Enrollment |
|---|---|---|---|
| Fall 2026 | LING/CSD:4291 | Statistical and Experimental Methods I | 6 |
| Spring 2026 | CSD:3117 | Psychology of Language | 90 |
| Spring 2026 | LING:4292 | Statistical and Experimental Methods in Linguistics II | 5 |
| Fall 2025 | LING/CSD:4291 | Statistical and Experimental Methods I | 8 |
| Fall 2025 | PSY:3180 | Psychology of Social Labels | 17 |
| Spring 2025 | LING:3001 | Introduction to Linguistics | 43 |
| Spring 2025 | LING:4292 | Statistical and Experimental Methods in Linguistics II | 12 |
| Fall 2024 | LING:4291 | Statistical and Experimental Methods in Linguistics I | 11 |
| Fall 2024 | PSY:3180 | Psychology of Social Labels | 22 |
| Fall 2024 | LING:3195 | Linguistics Lab I | 4 |
| Spring 2024 | LING/PSY:3190 | Psycholinguistic Aspects of Bilingualism | 29 |
| Spring 2024 | LING:3020 | Phonological Analysis | 16 |
| Spring 2024 | LING:3195 | Linguistics Lab I | 5 |
| Fall 2023 | LING:3290 | Statistical and Experimental Methods | 6 |
| Fall 2023 | LING:3195 | Linguistics Lab I | 8 |
| Fall 2022 | LING:3290 | Statistical and Experimental Methods | 13 |

Individualized instruction most semesters since Spring 2024: honors thesis direction (CSD:4098), research practica in Psychology (PSY:3994, PSY:3995), undergraduate research projects (URES:3993), special projects in Linguistics and Spanish (LING:5090, LING:2090, SPAN:4999), graduate research supervision (CSD:7590), and the Graduate College Practicum in College Teaching (GRAD:7400).

***Course development***

2022–2023 Redesigned the single-semester Statistical and Experimental Methods in Linguistics course as a two-semester sequence (LING:4291/4292), now also offered through Communication Sciences and Disorders.

2023–2024 Developed two new syllabi for Psychological and Brain Sciences: Psychology of Social Labels (on the population descriptors used in psychological research; taught since Fall 2024) and a course on visual language.

## MENTORING

2026–present Two postdoctoral fellows and 10 students (3 graduate, 6 undergraduate, 1 post-baccalaureate)

2025–present 16 students (6 graduate, 9 undergraduate, 1 post-baccalaureate)
2024–present 14 students (7 graduate, 7 undergraduate)
2023–present 13 students (4 graduate, 9 undergraduate)

***Graduate advisees***

08/2024–present Danica Kim, Linguistics / Communication Sciences and Disorders
10/2024–present Sarmad Chandio, Computer Science
05/2025–present Ege Gür, Psychological and Brain Sciences
08/2024–05/2026 Ciara Tapanes, Spanish / Linguistics
08/2021–05/2026 Leo Moore, Linguistics
08/2023–05/2026 Jacob Boudreau, Linguistics
08/2024–12/2025 Bremdellin Gabriel Ramos, Spanish / Linguistics
08/2023–05/2025 Seoyeon Kim, Linguistics
01/2024–05/2024 Onae Parker, Linguistics
01/2024–05/2024 Nicholas Mueller, Linguistics
08/2023–05/2024 Samantha Chiu, Psychology
01/2022–12/2023 Wenqi Zeng, Linguistics

***Undergraduate and post-baccalaureate advisees***

11/2024–present Emma McPearce, Informatics / Linguistics
10/2025–present Mia Schmidt, Communication Sciences and Disorders (honors thesis)
10/2025–present Elle Flannery, Communication Sciences and Disorders
09/2025–present Alisyn Mueller, Communication Sciences and Disorders
09/2025–present William Cheng, Psychology
08/2022–present Priya Kearney, Communication and Hearing Sciences
09/2025–05/2026 Ara Chung, Linguistics
09/2025–05/2026 Zoya Akhtar, Psychology (post-baccalaureate)
08/2025–05/2026 Varun Gulwadi, Psychology / Journalism
06/2026–07/2026 Yashas Patil, Secondary Student Training Program (high school)
01/2024–05/2026 Joe deBlois, Linguistics
01/2024–05/2025 Paras Bassuk, Psychology
08/2023–05/2025 Nick Theuerkauf, Computer Science
08/2023–05/2025 Emerson Peters, Physics
01/2024–05/2025 Hannah Franke, Psychology
08/2023–12/2024 Olivia Tobin, Mathematics
08/2022–05/2024 Nihar Behere, Psychology
09/2021–08/2022 Caroline Johnson, Linguistics

***Graduate committees***

09/2026–Present Laura C. Kiskunas, Communication Sciences and Disorders (committee member)
09/2026–Present Emma Braband, Communication Sciences and Disorders (committee member)
09/2025–Present Julia Kerrigan, Communication Sciences and Disorders (committee member)
09/2025–Present Fernanda Figueroa, Communication Sciences and Disorders (committee member)
01/2025–Present Noah Scott, Psychological and Brain Sciences (committee member)
01/2025–Present Mariah Lees, Psychological and Brain Sciences (committee member)
01/2024–Present Portia Washington, Speech, Language, and Hearing Sciences, UConn (committee member)
01/2024–Present Reinaldo Cabrera Perez, School of Education UC Irvine, (committee member)
01/2024–Present Ege Gur, Psychological and Brain Sciences (committee member)
01/2024–Present Sarmad Chandio, Computer Science (committee member)
01/2024–Present Hyoji Ha, Psychological and Brain Sciences (committee member)
01/2024–07/2026 Brian Wong, BCBL San Sebastian (committee member)
01/2024–05/2026 Martiniano Etchart, Second Language Acquisition, University of Wisconsin-Madison (committee

member)
01/2023–05/2026 Onea Parker, Linguistics (committee member)
01/2023–05/2025 Chisom Obasih, Applied Linguistics and Second Language Acquisition, Carnegie Mellon (committee member)
01/2022–05/2025 Wenqi Zeng, Linguistics (committee member)
01/2023–11/2024 Osama Khalid, Computer Science (committee member)
01/2023–05/2024 Ashby Martin, Psychology / Neuroscience (committee member)

## SERVICE

### *Editorial*

2023–present Associate Editor and Editorial Board Member, *Scientific Reports*
2023–present Editorial Board Member, *Canadian Journal of Experimental Psychology*
2021–present Associate Editor, *Applied Psycholinguistics*

### *Journal reviewing*

Bilingualism: Language and Cognition; Brain Sciences; Canadian Journal of Experimental Psychology; Cognition; Cognitive Science; Journal of the Acoustical Society of America; Journal of Experimental Psychology: General; Journal of Language and Discrimination; Journal of Multilingual and Multicultural Development; Journal of Psycholinguistic Research; Journal of Speech, Language, and Hearing Research; Language and Speech; Languages; Lingua; Linguistics and Education; Perspectives on Psychological Science; PLOS ONE; Psychonomic Bulletin & Review. Cognition Outstanding Reviewer Award, 2025.

### *Grant reviewing*

2024–present National Science Foundation, panelist
2024–present Natural Sciences and Engineering Research Council of Canada, reviewer
2023–present National Science Foundation, reviewer and ad hoc reviewer (including GRFP and postdoctoral programs)

### *Conference reviewing*

2026–present SRCD
2024–present Annual Meeting of the Cognitive Science Society
2024–present Human Sentence Processing Conference
2023–present Linguistic Society of America Annual Meeting

### *Department*

2026–present Co-Advisor, Departmental Honors Program, Communication Sciences and Disorders
2026–present Awards Committee, Communication Sciences and Disorders
2025–present Faculty Advisor, Communication Sciences and Disorders Research and Development Club (organized a lab visit day for 50+ undergraduates, Fall 2025)
2023–2025 Organizer, Linguistics Day (annual student research conference; 30+ student presenters)
2022–2024 Graduate Admissions Committee, Department of Linguistics
2021–2025 Diversity Day participant, Psychological and Brain Sciences

### *University*

2025–present Organizer and facilitator, weekly Language Discussion Group (30+ faculty, students, and staff across campus), Cognitive Science of Language Program
2024–2025 Faculty Assembly representative, Department of Linguistics

### *Profession and community*

2026–present Executive Board Member, Reviewer Zero (NSF-funded peer-review training initiative)
2023–present Co-founder, Reframing Our Language Experience (ROLE) Collective (200+ scholars; two online symposia; NSF conference grant)

| | |
|---|---|
| 2023–present | Executive Board Member, SPARK Society |
| 2023–2025 | Organizing Committee (early-career member), International Symposium on Bilingualism 15, San Sebastián, Spain |
| 2019–2025 | Committee on Ethnic Diversity in Linguistics, Linguistic Society of America |

## PROFESSIONAL DEVELOPMENT AND CERTIFICATIONS

| | |
|---|---|
| 2026 | Critical AI Literacy Workshop, Radboud University, Netherlands |
| 2026 | Communicating Ideas, Office of the Provost, University of Iowa |
| 2023 | NSF CAREER Award Workshops; Early Career Funding Opportunities Information Session; Academy Workshop on Teaching Strategies; AHI Information Session, University of Iowa |
| 2011 | Software Database Expertise certification, Microsoft |

## PROFESSIONAL MEMBERSHIPS

Linguistic Society of America (2017–); Acoustical Society of America (2018–); Psychonomic Society (2020–); American Association for the Advancement of Science (2020–); American Speech-Language-Hearing Association (2026–); University of British Columbia Language Sciences Initiative (2020–2025).

## LANGUAGES

Turkish, English, French, Spanish
